	Activities:	
• <u> </u>	attended the State/INM Intelligence Coordination Meeting on 12 eptember. Among the topics discussed were:	
-		
-	There is new proposed "Drug Czar" legislation contained in House Resolution 4028, which passed the House on 11 September and is now at the Senate Governmental Affairs Committee. It revises the authority of the Office of Drug Abuse Policy (ODAP) in the White House. Under the bill's provisions, a Director would be appointed by the President to head the ODAP (the bill specifically names the	
	Vice President as one possibility). Under the Director, there would be a Deputy Director for Drug Abuse Prevention and a Deputy Director for Drug Enforcement.	25)

Mobile	Missile Study:	25 X 1
•	As has been the practice, the Mobile Missile Panel met twice last week.	
	 On Wednesday, 12 September, the Panel examined the NRO Preliminary Assessment Study in considerable detail. This was a follow-up to the NRO's briefing last Thursday, 6 September. 	25X1
	 On 13 September, the Panel reviewed and revised a draft status report on their activities to date which is intended to support possible discussion of this topic at the "Off-Site" Conference later this week. The Panel schedule was confirmed for the remainder of September and plans for future work sessions were discussed. 	25X1
CBW Stu	ıdy:	
•	On 17 September, met with to finalize details for the 21 September subcommittee meeting. He has asked his staff to prepare a draft TOR; we will see the draft prior to the meeting.	25 X 1
	 Our latest information is that CIA is still planning not to send a representative to the meeting. 	25X1
